

REMARKS

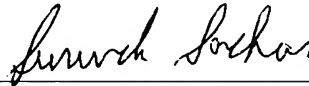

Favorable consideration of this application is respectfully requested.

By the present Preliminary Amendment the specification is amended as in the corresponding PCT application to refer to additional art as background information.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
